The Brookeville Times

Brookeville Bypass Update

Councilmember Nancy Floreen (D-At Large), Chair of the Transportation, Infrastructure, Energy and Environment Committee for the Montgomery County Council, spoke at the November 10th Commissioners Meeting and gave an update regarding the Brookeville Bypass. Her Committee will recommend $10M funding for the design and land acquisition needed for the Bypass at the Tuesday, December 2nd public meeting of the full Council. If approved, the funds will be used starting FY2011. If all approvals are met, construction of the Bypass could begin in 2015. The goal of the County Council is to work with our State Delegation for funds.

Councilmember Floreen is proposing an Environmental Impact Study before funding the Brookeville Bypass. Our Commissioners plan on sending the County Council a letter stating that the Brookeville Bypass has already been approved and is now waiting funding – no additional studies and/or surveys are needed. In addition, they will point out that the Brookeville Bypass is the least expensive project on MDOT's list that will benefit the County. Town Residents will be urged to send letters of support to fund the Brookeville Bypass.

ANNUAL HOLIDAY PARTY

December 6

6:00 p.m.-11:00 p.m.

Brookeville Academy

Please bring your favorite dish for dinner

Children's room with babysitters will be available to parents

GREEN TIPS

Sign-up for Clean Energy Rewards

Montgomery County is *helping you make the switch to clean energy!*

If you've been waiting for a good time to switch to clean energy and improve the environment, here's your chance. The Clean Energy Rewards program is open. You can receive a half a cent for each kilowatt-hour of eligible clean energy to offset the additional cost of clean energy by 15-20%. For more information on joining the thousands of Montgomery County residents, businesses and organizations who have avoided over 21,000 tons of carbon dioxide emissions through the purchase of clean energy, visit the Department of Environmental Protection at

www.montgomerycountymd.gov/dep

and click on Clean Energy Rewards or call DEP at 240-777-7700

A GIFT OF GREEN

Trees, Benches, and Park Amenities for Montgomery County Parks

Friends and family members can be honored by having a tree planted or a bench or picnic area installed in a Montgomery County Park. This gift keeps on giving! Individuals may have a tree planted or a bench installed for various commemorative purposes, to honor a person or event, memorialize a family member, friend, or colleague; or celebrate a birthday, anniversary, or other special event through a commemorative gift. These gifts used exclusively for public purposes are tax-deductible.

For information on planning your gift, please call:

Tin-Mala, Grants and Donations Program

The Brookeville Times

Brookeville Academy

The interior of the Brookeville Academy was painted during the week of Thanksgiving. The interior painting contract was awarded to Colors Enterprise, Ltd, who was also the contractor for the painting of the Schoolhouse. The Town of Brookeville will gladly give a reference for Colors Enterprise, Ltd to anyone wanting a quote for painting.

With a new heating system and fresh coat of paint, the Brookeville Academy is ready for your next party. Town Residents are eligible for discounted rental rates. Contact Academy Business Manager Andrea Scanlon at 301.570.4465 or brookevilleacademy@comcast.net for more information.

Resident Directory

The Town of Brookeville Resident Directory is available for pickup. There is one copy available per household.

Trash Pick-up Reminder

Thank you for having your trash container curbside by 7:00a.m on Wednesdays
