TOWN CLEAN-UP & BEAUTIFICATION MORNING
SATURDAY AUGUST 23, 8:30-11AM

While contractors are helping with much of the preparation for our many visitors on the August 30-31 weekend (sidewalk repairs, some pothole filling, some landscaping work), the Commissioners have scheduled a "Cleanup Morning" where we and Residents, with their own tools, appropriate work attire and gloves, and our keen eye for the Town's appearance the following weekend – can pitch in to work from 8:30-11 AM.   We will have a "To Do" list compiled from people's observations and comments – and of course there will be plenty of coffee, juice and water and snacks.
We will meet at the Academy between 8:15 and 8:30 AM to enjoy coffee & goodies, clarify our work, divide up assignments, and launch our day.

Bicentennial Event Preparations
Things to Watch For

As the big weekend approaches preparations will be taking place in town. Fifteen star flags have already been mounted on utility poles throughout town. Repairs to brick sidewalks on Market St. and High St. by the church are underway. Several areas in the town will be roped off to block access to by many expected visitors. Next week a store and classroom circa 1814 will be set up in the Academy. Portable toilets, bales of hay, straw, several loads of cord wood and ice will be delivered. Also film crews from two TV stations will be taping feature stories around town throughout the week.
