Water Damage at the Brookeville Academy

A water leak was discovered on December 3, 2019, at the Brookeville Academy. The cause of the leak was the connector where the supply line meets the toilet tank.

The water leaked through the bathroom floor into the basement and stairwell. The leak caused damage to the flooring, walls, and ceiling in and around the restrooms.

There was water damage in the basement below that affected the ceiling, walls, concrete floor, fire alarm panel, electrical panel, telephone service, water heater, two storage closets, doors, and their contents.

Property Manager Andrea Scanlon has been busy with the mitigation company and the many contractors needed to repair the damage. The repairs are estimated to last several weeks. Fortunately, the Academy is insured, and the Town will be reimbursed by our insurance company, less our deductible, for the repair work.

Recycle Schedule Change Due to the Holidays

There will be no Recycle collection on Wednesday, December 25, 2019, & January 1, 2020

Recycle will be collected on
Thursday, December 26, 2019, and
Thursday, January 2, 2020

MONDAY, JANUARY 22, 2020
7:00 PM – 9:00PM
BROOKEVILLE ACADEMY

Highlights of the meeting will include:

- FY 2019-2020 Budget Update
- Road Update
- ByPass Update

All Town Residents are encouraged to attend this Town Meeting

Being Good Neighbors: Street Parking

To facilitate safe access and emergency service needs, we look for Town Residents to observe and comply with all parking laws of Montgomery County.

As a reminder, below are a few applicable parking laws for Montgomery County:

- No Parking within 15 feet of a fire hydrant
- No Parking within 5 feet of a driveway
- No Parking within 35 feet of an intersection/intersecting roadway
- No Parking opposite to the flow of traffic (left wheels to the curb)

Holiday Party

The Annual Holiday Party was a roaring success!

Approximately a third of the Town Residents attended the Party on Friday, December 13th. The only dampers to this festive event was the chilly rain, which prevents a fire for the S'mores, but there was plenty of great food and good conversation.

Olney HELP would like to thank everyone who brought a non-perishable food item to donate to the pantry.

***THE COMMISSIONERS & TOWN STAFF OF BROOKEVILLE
WISH ALL A HAPPY, HEALTHY NEW YEAR!***

Sunday, December 22

6:00 PM

A service for those who find Christmas with all its merriment challenging.

Christmas Eve Services

Tuesday, December 24, 2019

5:00 pm Family Christmas Eve Service

7:30 pm Traditional Candlelight Service

Snow Removal Information

The Town of Brookeville contracts with a snow plowing service for North, South, Water Streets, the paved section of Church Street, and the eastern portion of Market Street.

The Maryland State Highway Administration plows High Street and the western section of Market Street (MD Route 97).

During a snowstorm, no plowing begins until an accumulation of 4 inches of snow has fallen on the streets. The goal is to make residential streets passable, not necessarily to clear them to the bare surface. To accomplish this goal, please move your parked cars into your driveway or off the road. Crews can do a much better job clearing your street of snow without maneuvering around parked vehicles.

Residents and businesses are responsible for clearing their sidewalks, driveways, and entrances within 24 hours of the end of a snowstorm.

All residents are strongly encouraged to be good neighbors by clearing the sidewalks in front of their homes, as well as assisting those who may not be physically able to do so.

What's on the Town's Website? All the information you might need:
