# News from Around Town

The new 15-star flags have been hung around Town on their new 6-foot-long poles. The flags and poles were purchased with a grant from Heritage Montgomery. Many thanks to Commissioners Anderson and Davis and Duane Heiler for furling the flags.

Town Social Network: Commissioner Garret Anderson manages a private Town of Brookeville Nextdoor page. Town residents can utilize this. If you would like to access the site, please follow this [link for Town of Brookeville](#)

## New Roof for the Academy

The Town has received permits from Maryland Historic Trust and the HPC for the roof replacement at the Academy. The next step will be to apply for a Town of Brookeville permit, which will be on the BPC's June 2<sup>nd</sup> agenda. The Town of Brookeville was awarded a grant of up to \$35,000 from the MHAA grant program to replace the roof on the Brookeville Academy. The grant will require a 50% match from the Town. The roof will be replaced with a metal standing seam roof estimated to cost between \$70K - \$80K.

## Paving of the gravel roads

The Town Commissioners continue to consult with the Planning Commission regarding the Town's side streets. The width of the gravel roads will be narrowed, and the management of water flow from rains will be addressed. The long-term cost of paving North, South, and Water Streets will be compared to the cost of maintaining a gravel surface. The Commissioners will seek feedback from Town Residents about this infrastructure project in the coming months.

## Primary Election - June 2, 2020

The Maryland 2020 Presidential Primary Election has been postponed to June 2, 2020. This election will be a "vote by mail" election.
