Submit Your Information for the 2023 Town Directory

It has been two years since the Town published the Town Directory. In those two years, we bid farewell to many neighbors and said hello to the neighbors who moved in.

As we prepare to update the directory, we would like to ask new residents to fill out this form and for existing residents to update their information.

UMD's PALS Program

The Town Commissioners are exploring a partnership with PALS on two projects:

1) Market Street Streetscape Preliminary Design
2) Charter & Ordinances Updates

The PALS program is administered by the National Center for Smart Growth at the University of Maryland, College Park (UMD). It is a campus-wide initiative that harnesses the expertise of UMD faculty and the energy and ingenuity of UMD students to help Maryland communities become more environmentally, economically, and socially sustainable. PALS is designed to provide innovative, low-cost assistance to local governments while creating real-world problem-solving experiences for University of Maryland graduate and undergraduate students.
